### Program Proposal Document

All Celiac Kids Connection (CKC) programs must support the intentions of the Group’s mission statement as stated below:

*Mission Statement: Celiac Kids Connection is a community of families that shares ideas, encourages each other, advocates and provides education. We support physically and emotionally healthy gluten-free living for all children with celiac disease. We are based at Boston Children’s Hospital and welcome families from Boston, New England and beyond.*

For each proposed project, please complete this proposal form. The CKC Board will review the proposal considering our mission statement and the following items:

- Location (fees, accessibility, parking, etc.)
- Scholarship Availability
- Corporate/Private Donations (food, location, materials, etc.)
- Volunteer Requirement
