This list was compiled by Celiac Kids Connection at Boston Children's Hospital. It is intended only as a general information resource and is based on information provided by manufacturers. Individual product ingredients, recipes and formulas are subject to change without notice. Company website and phone numbers are provided for you to verify this information.

It is the responsibility of each individual to read product labels and determine if the product is gluten free or not. Celiac Kids Connection at Boston Children's Hospital and its members do not endorse the use of these products or services or warrant them to be gluten free in anyway.

This list of gluten-free (GF) candy is sorted by company. Many of your favorite candies may be made by a company you do not associate with that candy. If you do not know the parent company, you can often find the name on the product label. In addition, **this list is searchable**. Open the list in Adobe reader and use the search or magnifying glass icon and search for the name of your favorite candy.

JUST BORN, Inc.

www.justborn.com

From the Just Born FAQ page

We offer many gluten-free products under the MIKE AND IKE®, HOT TAMALES®, PEEPS®, GOLDENBERG’S®, PEANUT CHEWS®, TEENEE BEANEE® and JUST BORN® brands and we are in the process of updating package labels to include gluten-free statements where appropriate. The modified food starch that we use in our candies is corn starch. However, because some of our products may be manufactured and/or packaged in a facility that may also handle non gluten-free products, we encourage consumers to read the labels carefully for the most up-to-date ingredient and allergen information.
